

ALLY CHRISTEL

VIDEO EDITOR

PROFILE

Hi I'm Ally, a post production specialist originally from Long Island! I am an editor through and through, but have experience with digital modeling, effects, and coloring as well! I have edited in Premiere since 2018 and AVID since 2022, and am also well versed in Davinci, Maya, AfterEffects, and more. While at RIT I got the chance to edit for countless films on extremely ranging projects from documentaries to music videos to commercials, on-set to virtual livestream to completely remote! I provide a quick, professional, polished turnaround, individually or in a team setting. I love to make cool things, tell cool stories, and work with cool people!

WORK EXPERIENCE

● Student Manager/Key Production Assistant 2023 - 2025

Magic Spell Studios

- Oversee commercial soundstage use and gear rentals
- Lead a team of 5 other PAs
- Client and IT support
- Editing promotional and social media videos
